## ODT Adapter

**hama**

### ODT Adapter, Toslink Plug - Toslink Socket, Gold-Plated, 90°

Productline      Essential Line

- Gold-plated plug with low contact resistance for secure signal transmission
- Fibreoptic cable can be routed at the top, bottom or to the side in order to connect the TV set to the amplifier, for example
- Prevents kinks in the cable
- Plug can swivel
- Compact adapter for space-saving attachment

Black	00205177
	8 HB

**hama**

### ODT Adapter, Toslink Socket - Optical 3.5 mm Plug, gold-plated

Productline      Essential Line

- Gold-plated plug with low contact resistance for secure signal transmission
- Compact adapter

Bluetooth Audio Adapter

**hama**

"Link.it duo" Bluetooth®  
Adapter, Transmitter &  
Receiver, Bluetooth Retrofit

Connection	3.5 mm Jack Socket, USB-C-Connector
Max. Range	10 m
Bluetooth Version	5.2

- Many connections lead to Bluetooth: TVs, Hi-Fi systems or projectors can be connected via the 3.5-mm jack connection or via the optical fibre connection without interruption thanks to the Bluetooth adapter
- Transceiver for Bluetooth in both directions: whether it be a Bluetooth transmitter or receiver, two devices can always be connected, e.g. two pairs of headphones with one TV or one pair of headphones with the TV and stereo system
- Handy power supply via USB: Bluetooth adapter draws power directly via the USB-A - USB-C cable through the USB port on the device, e.g. TV set
- Bluetooth in no time: thanks to auto pairing, the Bluetooth transmitter and receiver are quickly ready for use - You simply have to pair the devices once and after this the connection will be established automatically when Bluetooth is activated
- APTX technology for better audio quality despite the limited bandwidth with Bluetooth
- Pair the Bluetooth headphones or Bluetooth speaker with the TV, projector or stereo system without a previous Bluetooth function
- Multi-point - 2 Bluetooth headphones on one audio source (e.g. TV): ideal for people who listen to sound at different volumes but still like to enjoy their favourite series together

"Twin" Bluetooth® Audio  
Transmitter, for two pairs of  
headphones

Connection	3.5 mm Jack Socket
Max. Range	10 m
Bluetooth Version	3.0 + EDR

- Simultaneous music transfer to two pairs of Bluetooth headphones
- APTX technology for better audio quality despite the limited bandwidth with Bluetooth
- Converts every standard audio player like a hifi system, TV or MP3 player into a Bluetooth transmitter
- Can be paired with every Bluetooth compatible device like headphones, speakers, receivers
- Audio input via the supplied 3.5 mm jack cable (adaptation to RCA possible)
- Auto pairing for user-friendly operation and quick readiness for use
- Power supply via USB e.g. directly on the TV or via a separate power adapter
- Range: up to 10 metres (with a clear view)

Connection	3.5 mm Jack Plug
Bluetooth Version	4.2
Max. Operating Time	7 h

- Integrated analogue output (3.5 mm plug) for connection with the AUX-IN in the car and then for the easy playback of music from a mobile device, such as smartphones, and enjoyment of the better sound of the car's audio system
- Small but powerful: best sound quality
- 2 multifunctional buttons for music control and for accepting or ending calls
- Music control: Play/Pause, Next / Previous Track, Loud / Quiet
- Bluetooth connection and hands-free function in one adapter thanks to integrated microphone
- Hands-free function: 1 x central button press to accept or end calls
- Integrated Li polymer battery, so no separate power supply required
- Play music for up to 7 h, with up to 5.5 h of talk time via the hands-free function
- Compact and robust aluminium housing
- Easy handling in two steps: pair the Bluetooth receiver and connect
- Also for wireless Bluetooth connection with loudspeaker, amplifier, etc.
- Compatible with a range of apps
- With 12 V USB charger for the easy, wireless charging of the receiver in the car
- The 12 V USB charger also features 2 USB ports with 2.4 A of charging current each for the simultaneous charging of two devices

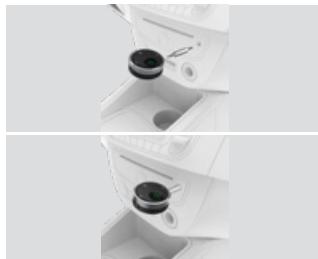

Black, Grey	00014159

**hama**

### Bluetooth® Hands-Free Device for Cars with AUX-In

Connection	3.5 mm Jack Plug
Bluetooth Version	5.1

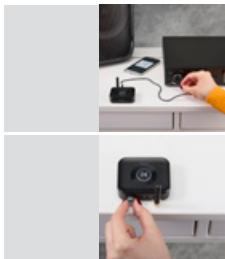

- Integrated analogue output (3.5 mm plug) for connection with the AUX-In in the car and then for the easy playback of music from a mobile device, such as smartphones, and enjoyment of the better sound of the car's audio system
- Bluetooth connection and hands-free function in one adapter thanks to integrated microphone
- 2 multi-function buttons for accepting or ending calls and for controlling music
- Music control: Play/Pause, Next / Previous Track, Loud / Quiet
- Bass amplification
- Cable length: 1 m
- Easy to use: connect the Bluetooth hands-free device with AUX-In and USB charging socket and then pair the mobile device via Bluetooth
- The supplied adhesive strips allow the device to be easily attached to a suitable location in the vehicle
- Incl. 12 V USB charger for supplying power to the Bluetooth hands-free device
- Since the 12 V USB charger has 2 USB connections with a total of 2.1 A, a smartphone or tablet can also be charged in addition to supplying power to the hands-free device

**hama**

### Bluetooth® Receiver for Cars, with 3.5 mm Plug

Connection	3.5 mm Jack Plug
Bluetooth Version	5.1
Max. Operating Time	10 h

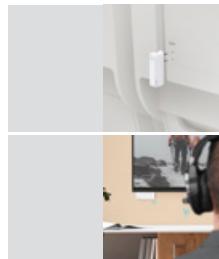

- Supports the Siri and Google Assistant voice assistants: direct access at the press of a button and Bluetooth pairing - without having to hold the smartphone
- Integrated analogue output (3.5 mm plug) for connection with the AUX-In in the car and then for the easy playback of music from a mobile device, such as smartphones, and enjoyment of the better sound of the car's audio system
- Bluetooth connection and hands-free function in one adapter thanks to integrated microphone
- 2 multi-function buttons for accepting or ending calls and for controlling music
- Music control: Play/Pause, Next / Previous Track, Loud / Quiet, Bass Amplification
- Integrated Li polymer battery, so no separate power supply required
- Up to 12 hours of operating time
- Compact and robust housing made from aluminium and plastic
- Easy handling in two steps: pair the Bluetooth receiver and connect
- Also for wireless Bluetooth connection with loudspeaker, amplifier, etc.
- Compatible with a range of apps
- With micro-USB cable for charging on a USB charger or PC / notebook

**hama**

### "Link.it solo" Bluetooth® Adapter, Receiver, Retrofit Bluetooth to the HiFi

Connection	USB-C-Connector
Max. Range	50 m
Bluetooth Version	5.3

- Bluetooth connectivity via a jack: the loudspeaker and HiFi system can be easily and universally connected to the Bluetooth adapter using the 3.5 mm jack connection
- For two audio sources: the Bluetooth receiver allows two devices to be connected, e.g. two mobile phones with one loudspeaker or one stereo system - entirely without having to reconnect and retrofit Bluetooth
- Your favourite sounds from the microSD card: enjoy your play list from a microSD card on the HiFi system without any need for a card reader, etc.
- Handy power supply via USB: the Bluetooth adapter draws power directly via the USB-A to USB-C cable through the USB port on a power strip
- Bluetooth in no time: thanks to auto pairing, the Bluetooth receiver is quickly ready for use - You simply have to pair the devices once and after this the connection will be established automatically when Bluetooth is activated
- You do not need to observe any system requirements, simply plug in and go
- Up to 50-metre range (with clear sight)
- The Bluetooth receiver can also be powered via a separate USB power supply unit through a power socket
- Supports micro-SD cards with up to 64 GB storage and FAT32 or exFAT formatting

**hama**

### Bluetooth® Audio Transmitter for Aircraft and Universal, 10 h, with AUX, white

Connection	USB-C-Connector
Max. Range	7 m
Bluetooth Version	5.3
Max. Operating Time	10 h

- One jack plug on the universal transmitter is fixed, while the second can be folded in and out as required, enabling you to connect your headphones to all audio devices with an AUX out port, whether it be on a plane or in the gym, to an MP3 player or a games console
- The Bluetooth transmitter has an additional audio output (3.5 mm jack) for connecting cabled headphones, enabling one person to listen via Bluetooth and a second person to listen via the cabled headphones
- Powerful lithium polymer battery for hours of play time - up to 10 hours of listening enjoyment, ideal for intercontinental and long-haul flights
- Full mobility thanks to battery mode: fast charging within 2.5 hours via the USB-C interface
- The LED function indicator lights up blue when the Bluetooth connection is active and red during the charging process
- Thanks to its compact dimensions, the ultra-lightweight Bluetooth transmitter in trouser pocket format is always handy and really does fit in any hand luggage or bags
- The BT transmitter is compatible with all common aircraft entertainment systems
- Lean back with no wires and watch movies and series without any tangled cables

**Digital Radio  
"DR2002BT, FM/DAB/DAB+"**

**hama**

Connection	3.5 mm Jack Socket, USB-C-Connector
Connection	Bluetooth
Power Output (RMS)	10 W
Receiving	DAB, DAB+, FM
Width x Depth x Height	35 x 12.5 x 13 cm

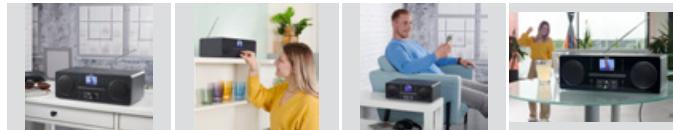

- Listening pleasure with state-of-the-art technology: hiss-free and digital with DAB/DAB+, but also with conventional FM reception
- For everyone who wants to simply listen to the radio: with control dial and large buttons for intuitive operation
- Large and easy-to-read font: older people, people with visual impairment and children can easily recognise the letters on the buttons
- Extra-large 4.3" TFT colour display for the clear presentation of information
- Pleasant and single-step menu guidance: if you wish to perform a specific function, simply press the corresponding button - you don't have to click through a complex menu first
- Thanks to the Bluetooth receiver (RX), you can easily stream music from your smartphone, tablet, notebook and PC to your device
- Powerful stereo sound: the innovative sound system with two loudspeakers delivers a space-filling and crystal-clear sound experience

- Start the day with your favourite station and two alarm memory slots: it can be set for both wake-up times whether the alarm is to sound only once, daily, on work days, on weekends or only on specific days
- The four direct selection buttons allow you to store your favourite stations and find them without searching
- All labels and menu guidance on the radio are entirely in German, so you do not need to speak English to operate it
- FM/DAB/DAB+
- Noise-free listening pleasure with an extensive array of DAB+ stations
- Multiple stations can be received nationwide along with a range of regional radio stations in digital quality

#### Technical information

- Balanced stereo sound via two loudspeakers (2 x 5W)

Max. Battery Runtime	10 h

- Always have your favourite songs with you: this portable loudspeaker in pocket format delivers 5 Watts of music power and always ensures the perfect musical accompaniment, whether it be at the swimming pool or beach, a warm-up party or outdoor sports
- Harmony of sound and light: The LED illumination can be changed into 5 different modes to match the music or ambience, or simply use it as a discreet light source outside
- Pair the loudspeaker thanks to True Wireless Stereo (TWS) - connect two loudspeakers via Bluetooth and position them anywhere in the room for true stereo sound
- Enjoy your favourite songs for a long time: the loudspeaker can be used via Bluetooth for up to 10 hours
- With the integrated hands-free system, making phone calls in HD quality is very easy

- Full mobility thanks to battery operation with LED charging indicator: fast charging within 2 hours with USB-C interface
- Light effects on demand: illumination on the sound box can be deactivated
- With handy hanging loop and rubberised buttons for easy, intuitive operation
- Also connect the loudspeaker via cable thanks to AUX-in
- With microSD card slot
- USB Type-A connection for playing external data media, e.g. USB stick, MP3 player

### Headset Wireless "Freedom Light, True Wire- less", Ear-Buds, In-Ear

Bluetooth Version	5.1
Loading frequency	3 x
Max. Music time	7 h
Weight	40 g
Charging Method	USB-C socket
Charging Time in Hours	2.5 h

- Bluetooth at its best: maximum freedom of movement as both earphones are not connected by cable
- Touch control: The touch sensor enables intuitive operation
- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and touch control allow direct access - without having to hold the smartphone
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Smartphone function can be controlled via touch control (e.g. accept / make / reject calls / last number redial)
- Music control functions (play/pause)
- Volume can be controlled via voice assistants
- With charging box: this means that the headset can be charged up to 3x while on the move
- The charging box is charged via the USB-C connection

### Headset Wireless "Freedom Athletics II, Micro- phone", In-Ear

Bluetooth Version	5.3
Loading frequency	3 x
Max. Music time	6 h
Weight	12 g
Charging Method	USB-C socket
Charging Time in Hours	2 h

- Thanks to a wire in the cable the earphones can be used as ear hook but also as classic in-ear headphones
- With these earphones and their sweat-resistant materials you can perfectly work out while listening to your favourite music
- The ergonomic ear clip adapts to your ears thus ensuring a secure and stable fit also when you are active
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Allows the simultaneous connection of the headphones to multiple Bluetooth devices
- Supports the Siri and Google Assistant voice assistants
- The perfect fit reduces unwanted exterior noise so that you can enjoy your music without being disturbed
- Silicone earbuds in three different sizes (S, M, L) for an individual, perfect fit
- Compact design, ideal for on the move
- With a clip for attaching the cable to a T-shirt, for instance, for additional grip while moving around
- Volume can be controlled via the remote control integrated into the neck strap or via voice assistants
- Music control functions (play/pause)

### Headset Wireless "Teens Guard II, volume limit", On-Ear

Bluetooth Version	5.3
Max. Music time	48 h
Weight	90 g
Charging Method	USB-C socket
Charging Time in Hours	2 h

- Children's sensitive ears are protected by a limitation of the sound pressure to max. 85 dB
- Two individual microphone variants are ideal for children being home-schooled: use either the microphone integrated into the headset or the attachable microphone
- Simply durable: the flexible, robust headband is designed for use by teenagers and remains stable and in shape even when bent or twisted
- These headphones grow too: the particularly pleasant to wear headband can be adjusted perfectly to the child's head size
- The soft earpads fit comfortably, even after long periods of listening
- Supports the Siri and Google Assistant voice assistants
- Allows the simultaneous connection of the headphones to multiple Bluetooth devices
- Music time: up to 48 h with fully charged headphones
- Talk time: up to 50 h with fully charged headphones
- Volume control up to 85 dB directly on the headphones
- Music control functions (play/pause)
- Smartphone functions can be controlled via the multi-function button, e.g. accept / reject / end calls / last number redial

### Headphones Wired "Kids Guard, Volume limit, flexible", On-Ear

Connection	3.5 mm Jack Plug
Cable Length	1.2 m

- Quiet sounds for little ears: limiting the volume to max. 85 dB protects children's sensitive ears - this is approximately equivalent to the sound of quiet piano music
- Fun to wear too: the flexible, sturdy headband on the on-ear headphones remains stable and in shape, even if children bend or twist it while playing and dancing
- Safety first: the 3.5-mm audio cable on the children's headphones can be detached - so when they're dancing around wildly, the risk of tripping is reduced since the cable and the plug detach themselves
- Kids live: with the integrated microphone, it's perfect for interactive audio games, online learning, chats and telephone calls
- These headphones grow too: the particularly pleasant to wear headband can be adjusted perfectly to the child's head size
- For long listening: the soft on-ear earpads fit comfortably, even after long periods of listening
- Dance, hop, play: on-ear headphones with single-sided cable insert for more freedom of movement
- Easy operation via multi-function button on the control unit on the cable, e.g. loud and quieter, next song
- No batteries or rechargeable batteries - the headphones are ready for use at all times

### Headset Wireless "Spirit Calypso II, Bass Boost, foldable", Over-Ear

Bluetooth Version	5.3
Max. Music time	60 h
Weight	180 g
Charging Method	USB-C socket
Charging Time in Hours	2.5 h

- To feel the beat through your body: wireless headphones with additional bass amplification, can be switched on or off depending on the music style via the multi-function button
- Rich sound: whether it be music, a podcast or an audio book - with 60 hours of battery life, the over-ear headphones never miss a beat, even on the go
- Casual change: favourite play list on the mobile phone, audio book on the tablet, calls on the business smartphone - multi-point allows the simultaneous connection of the headphones to two Bluetooth devices
- Travel or peace and quiet: when the Bluetooth headphones are not needed, simply fold up the ear pads and carry the headphones in a space-saving manner in your luggage or put them to one side
- Comfortably from audio book to audio book and from album to album: thanks to their very soft ear pads, the over-ear headphones are comfortable to wear for at least as long as the battery lasts
- Relaxed head, cool beat: the padded headband can be custom-adjusted to the shape of your head so that the wireless headphones fit comfortably even on a long train journey

## Headset Wireless "Spirit Unchained, True Wireless, ENC, FC", Ear-Buds

Bluetooth Version	5.3
Loading frequency	3 x
Max. Music time	16 h
Weight	45 g
Charging Method	Induction/USB-C socket
Charging Time in Hours	2 h

- With or without a cable: the headphone charging box can be charged via wireless charging technology - simply place the charging case on a suitable Qi charger and charge wirelessly
- Check the battery level super-easily: the LED display indicates the charge state for both earphones and the case separately, so you immediately know when you need to top up
- Extremely fast charging: Thanks to Fast Charge, the Bluetooth earbuds are charged at high speed - just 10 minutes of fast charging are needed for a play time of 2.5 hours
- Improved sound and voice quality: with Environmental Noise Cancelling (ENC), the Bluetooth headphones with noise cancelling filter out disruptive environmental noise directly on the microphone
- Intensive music enjoyment thanks to True Wireless Stereo (TWS): the headphones produce an authentic sound experience - for a live concert feeling at the press of a button whenever and wherever you want
- Reduced to the only thing that matters: comfortable earbuds without tangling cables for even more freedom
